

SP 555E2

SPREADER

PART#: 271555000

Balanced strength that speeds up complex extrications

Designed for control and efficiency, the SP 555E2 delivers powerful spreading performance in a lighter, more maneuverable form. Shark Tooth removable tips with four rows of teeth help maintain a secure hold on challenging materials. Combined with a dependable li-ion battery, it supports faster, more controlled operations from start to finish.
